

Join the Atlanta Auburn Club Team - Become a Corporate Sponsor!

You can help provide *real* hope for students in the state of Georgia by supporting the Atlanta Auburn Club's scholarship fund-raising efforts. The AAC is a non-profit local alumni organization with 501(c)(3) status held by its Roy B. Sewell Memorial Scholarship Fund. Through this tax-exempt fund, the AAC and its volunteers raise thousands of dollars annually to fund scholarships for metro Atlanta area students to attend Auburn University. In addition to annual scholarships, the club also launched an effort in 2007 to begin funding for a scholarship endowment. You can be part of this important fund-raising team by becoming an AAC Corporate Sponsor.

More than 18,000 Auburn Alumni now call the metro Atlanta area home. By joining our team, we can help you reach them! And you get an added benefit -- knowing that your business has played a role in helping reduce the out-of-state tuition burden so that Auburn can compete for the best and the brightest in the metro area. Our "hope" scholarships are painted **Orange & Blue!**
